In our fourth Fishing: Fishing Challenge rework, now we have the FUN of a Catamaran. Our fishing challenges are back in this episode and we take you out to the Sea to fly a Catamaran, oh boy! Your first order of business is to get out of the water while in a catamaran to get your first catch. Your second order of business is to get your first, large fish (that's a Dolphin or a Whale for you non-fishermen). The third order of business is to catch your first catch in this challenge that has you get in the water and fly a Catamaran. Thanks for watching and happy fishing!
